In the matter of change of date of hearing on petition for incorporation of the Village of Glenford, Ohio.
By reason of agreement reached by Counsel and the Board of Commissioners the hearing on the Petition for the incorporation of the Village of Glenford was continued until Tuesday, Nov. 18th. 1924 10 o'clock A.M. Before the Board of Commissioners of Perry County Ohio.

In the matter of the Petition for the incorporation of the Village of Glenford, Perry County, Ohio.

Remonstrance

The undersigned residents of the territory proposed to be erected into the corporation of Glenford and electors therein and property owners therein do now protest against the incorporation of the territory described in the said petition as the Village of Glenford or by any other name, for the reasons:

1. That there is not sufficient taxable property within the territory proposed to be incorporated from which funds may be raised by taxation in an amount necessary to carry on the ordinary functions of a corporation.
2. That the territory proposed is unreasonably small.
3. That the number of inhabitants are unreasonably few.
4. That it is not right, just or equitable that said territory be created into a corporation.
5. That the burdens that would be imposed upon the inhabitants of said territory and the property owners thereof would be greater than the benefits to be derived from the proposed corporation.

For the foregoing reasons the undersigned pray that the petition for incorporation be dismissed.

In the matter of the hearing on petition filed for the incorporation of the Village of Glenford. Entry.

The board of Commissioners of the County of Perry, proceeding this day to hear the matter of the petition of Loy Ice and others to obtain the organization of the territory in their petition described, into a village, in accordance with law, and having in open meeting, heard all persons desiring to be heard for or against the granting of said petition, and considered the affidavit presented with reference thereto, and being fully advised, find that said petition contains all the matter required by law; that its statements are true; that the name of said proposed village, which is given in the petition, is appropriate; that the limits of the proposed corporation are accurately described and are not unreasonably large or small;
